**Re: Bob Casey for Senate Inc. Year End Report
FEC Identification #C00431056**

Dear Mr. Austin:

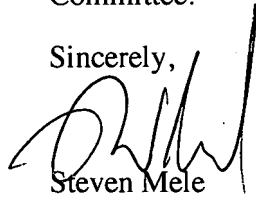

This is in response to your letter dated May 13, 2018 concerning the Year-End Report of Bob Casey for Senate Inc. (the "Committee"). Prior to receipt of your letter, the Committee had already taken affirmative steps to address several of the issues outlined below, once it became aware of them. The Committee will amend its reports, as necessary, to reflect the responses below.

1. The vast majority of the entries flagged in your letter reflected some form of clerical error. There were multiple duplicate entries, which have since been fixed, merged, and properly designated in the Committee's software system. There were also instances of the donor's contribution being designated incorrectly in the Committee's software system; those have been fixed or are in the process of being fixed. Finally, several contributions have been refunded or will be refunded. All of this will be reflected on the amended report(s).
2. Some of these entries were, in fact, designated correctly. There were also instances of the donor's contribution being designated incorrectly in the Committee's software system; those have been fixed or are in the process of being fixed. All of this will be reflected on the amended report(s).
3. & 4. All of the donors referenced in your letter are permissible sources, which will be indicated on the amended report(s).
5. The Committee will amend its report to add the appropriate additional memo entries and adjust the transfer amount.
